Dear Friend of EASTERN,

Wonderful personal growth and ambition move through the halls of EASTERN Center for Arts & Technology as so many, maybe you, have personally experienced. Right now, overcoming many unique obstructions, our EASTERN Students and highly dedicated Staff are working creatively to build life and career/college paths in nurturing, safe, and inspiring programs.

Since 2005, the EASTERN Foundation has been recognizing and supporting student success through providing scholarships and awards. In June of 2021, the Foundation recognized 123 students with over \$36,000 in scholarships and awards.

This has also been a difficult time for the Foundation since most of our past fundraising has been through in-person events. Therefore, we look to you, our great supporters, to help us continue to assist our students. **With your help, we will, once again, host our next Awards night on May 25, 2022.** You can join us in this important work of helping students succeed through an online contribution at [www.eastech.org/foundation/donate](http://www.eastech.org/foundation/donate) or the enclosed donation form. Your contribution will be used where the need is greatest or, if you choose, to support students in a program of your special interest.

This year, like 2020, everyone who contributes to the EASTERN Foundation can reduce their income taxes regardless of whether or not they itemize their deductions. The CARES Act – Coronavirus Aid Relief Economic Security Act – enables all taxpayers to deduct up to \$300 per person, \$600 per couple, for the 2021 tax year regardless whether or not they itemize.

Please give now to enable the Eastern Foundation to build the enriching support for the students at EASTERN. Feel free to contact Amy Shields, EASTERN's Marketing and Recruitment Coordinator, with questions or suggestions you may have at [ashields@eastech.org](mailto:ashields@eastech.org).

Sincerely,

Susan Hoffman  
EASTERN Foundation President
