

Section: Narratives - Assessing Impacts and Needs

CTC ARP ESSER APPLICATION

The Pennsylvania Department of Education (PDE) recognizes the extraordinary efforts made by career and technical centers (CTC), and educators to support students during the COVID-19 pandemic. The application below requests information from CTC about: (1) Needs and impacts resulting from the pandemic, (2) Stakeholder engagement in the development of local plans to respond to these needs and impacts, (3) Specific elements in the CTC Plan for the Use of ARP ESSER Funds; and (4) Plans for monitoring and measuring progress. As submitted and accepted by PDE in final form, this application shall become part of the Grant Agreement for ARP ESSER funds as Appendix B. As used in this application, "the CTC" refers to the Grantee defined in the Grant Agreement.

ARP ESSER includes a significant focus on vulnerable student populations. Given these requirements, as well as PDE's own equity commitments, the CTC application includes specific fields requesting information on programs to serve student groups that have experienced disproportionate impacts from the pandemic. Student groups are inclusive of the following:

- Students from low-income families;
- Students from each racial or ethnic group (e.g., identifying disparities and focusing on underserved student groups by race or ethnicity);
- Gender (e.g., identifying disparities and focusing on underserved student groups by gender);
- English learners;
- Children with disabilities (including infants, toddlers, children, and youth with disabilities eligible under the Individuals with Disabilities Education Act [IDEA]);
- Students experiencing homelessness;
- Children and youth in foster care;
- Nontraditional
- Single Parent
- Military Family
- Migrant students; and
- Other groups disproportionately impacted by the pandemic that have been identified by the LEA (e.g., youth involved in the criminal justice system, students who have missed the most in-person instruction during the 2019-2020 and 2020-2021 school years, students who did not consistently participate in remote instruction when offered during school building closures, and LGBTQ+ students).

Section I: Assessing Impacts and Needs

In this first section, CTCs are asked to describe the impact of the pandemic on their students, examine disproportionate impacts on specific student groups, and highlight the CTC's promising practices in supporting student needs since March 2020.

Indicators of Impact

1. Understanding the Impact of the COVID-19 Pandemic: Describe how the CTC has identified or will identify

the extent of the impact of the COVID-19 pandemic on student learning and well-being. Specifically, what methods (i.e., collecting and analyzing data and information from focus groups, surveys, and local assessment results) were used or will be used to identify and measure impacts in four key areas: (1) Academic/Technical impact of lost instructional time, (2) Chronic absenteeism, (3) Student engagement, and (4) Social-emotional well-being?

	Methods Used to Understand Each Type of Impact
Academic/Technical Impact of Lost Instructional Time	EASTERN will pre-test all seniors using the NOCTI standardized assesment. This will provide informaiton on knowledge gaps to assist in the modification of instruction to address the gaps.
Chronic Absenteeism	EASTERN will monitor absentee rates of students and in cases of chronic absenteeism or warning signs of chronic absenteesim provide outreach to parents, participating districts and school counselors to provide intervention strategies.
Student Engagement	EASTERN will survey students as to needs and issues. Intervention strategies will be enacted by the Student Success Coordinators as they monitor grades and daily performace scores to further engage disassociated students.
Social-emotional Well-being	EASTERN will provide support and outreach by the Student Success Coordinators and participating district coueslors based on evidence gained from student surveys, parent and district provided information and student daily performance grades.
Other Indicators	

Documenting Disproportionate Impacts

2. Identify the **student** groups in the CTC that faced particularly significant impacts from the pandemic. For each, provide specific strategies that were used or will be used to identify and measure impacts.

Student Group	Provide specific strategies that were used or will be used to identify and measure impacts
Other groups disproportionately impacted by the pandemic that have been identified by the LEA (See Help Text for examples)	<ul style="list-style-type: none"> • 3 Student Success Coordinators providing in-house support as well as out of building tasks related to IEP needs and accommodations • Small group sessions for specialized populations • Monthly data analysis on students and action planning based on results • Instructional Assistants in lab setting to assist in meeting student needs • Lesson planning, daily and long-range plans include accommodations and modification as necessary

Reflecting on Local Strategies

3. Provide the CTC's assessment of the top strategy that has been most effective in supporting the needs of

students, in particular specific student groups most impacted by the COVID-19 pandemic. Strategies two and three below are optional.

	Strategy Description
Strategy #1	Monthly data analysis on students and action planning based on results

i. **Impacts that Strategy #1 best addresses:** (select all that apply)

- Impact of lost instructional time**
- Chronic absenteeism**
- Student engagement**
- Social-emotional well-being**
- Other impact**

i. **If Other is selected above, please provide the description here:**

iii. **Student group(s) that Strategy #1 most effectively supports:** (select all that apply)

- Students from low-income families**
- Students from each racial or ethnic group (e.g., identifying disparities and focusing on underserved student groups by race or ethnicity)**
- Gender (e.g., identifying disparities and focusing on underserved student groups by gender)**
- English learners**
- Children with disabilities (including infants, toddlers, children, and youth with disabilities eligible under the Individuals with Disabilities Education Act (IDEA))**
- Students experiencing homelessness**
- Children and youth in foster care**
- Migrant students**
- Other student groups: (provide description below)**

iv. **If Other is selected above, please provide the description here.**

Students with Individualized Education Plans

Reflecting on Local Strategies: Strategy #2 - Please note: this strategy is optional.

	Strategy Description
Strategy #2	

i. Impacts that Strategy #2 best addresses: (select all that apply)

- Impact of lost instructional time
- Chronic absenteeism
- Student engagement
- Social-emotional well-being
- Other impact

i. If Other is selected above, please provide the description here:

iii. Student group(s) that Strategy #2 most effectively supports: (select all that apply)

- Students from low-income families
- Students from each racial or ethnic group (e.g., identifying disparities and focusing on underserved student groups by race or ethnicity)
- Gender (e.g., identifying disparities and focusing on underserved student groups by gender)
- English learners
- Children with disabilities (including infants, toddlers, children, and youth with disabilities eligible under the Individuals with Disabilities Education Act (IDEA))
- Students experiencing homelessness
- Children and youth in foster care
- Migrant students
- Other student groups: (provide description below)

iv. If Other is selected above, please provide the description here.

Reflecting on Local Strategies: Strategy #3 - Please note: this strategy is optional.

	Strategy Description
Strategy #3	

i. Impacts that Strategy #3 best addresses: (select all that apply)

- Impact of Lost Instructional Time**
- Chronic absenteeism**
- Student engagement**
- Social-emotional well-being**
- Other impact**

i. If Other is selected above, please provide the description here:

iii. Student group(s) that Strategy #3 most effectively supports: (select all that apply)

- Students from low-income families**
- Students from each racial or ethnic group (e.g., identifying disparities and focusing on underserved student groups by race or ethnicity)**
- Gender (e.g., identifying disparities and focusing on underserved student groups by gender)**
- English learners**
- Children with disabilities (including infants, toddlers, children, and youth with disabilities eligible under the Individuals with Disabilities Education Act (IDEA))**
- Students experiencing homelessness**
- Children and youth in foster care**
- Migrant students**
- Other student groups: (provide description below)**

iv. If Other is selected above, please provide the description here:

Section: Narratives - Engaging Stakeholders in Plan Development

Section II: Engaging Stakeholders in Plan Development

In this second section, CTCs are asked to provide information on how stakeholders will be engaged in planning for the use of ARP ESSER funds, how stakeholder input will be utilized, and how the CTC will make its CTC Plan for the Use of ARP ESSER Funds transparent to the public—all critical components in developing, implementing, and adjusting plans based on the differential impacts of the COVID-19 pandemic.

4. Stakeholder Engagement

Describe how the CTC, in planning for the use of ARP ESSER funds, has engaged or will engage in meaningful consultation with stakeholders. **(3,000 characters max)**

(Stakeholders include any relevant group to the CTC, such as students; families; CTC and sending district administrators (including special education administrators); teachers; principals; school leaders; other educators; school staff; and unions. In addition, to the extent that the following groups are present in or served by the CTC, stakeholders also include community partners, civil rights organizations (including disability rights organizations); stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children and youth in foster care, migrant students, children who are incarcerated, and other underserved students; and tribes.)

EASTERN will include the following groups in the planning meeting: Parents of EASTERN students, EASTERN Teachers, EASTERN Administrators, Administration from participating districts, Current EASTERN students, Counselors from participating districts, Business and Industry Representatives from EASTERN'S Occupational Advisory Committees, EASTERN Support Staff, Paraprofessionals, Post Secondary Faculty and Administration from Montgomery County Community College, Workforce Development Board Representatives, Representatives for Special Populations, Out of School, At-Risk and Homeless Youth. These groups will meet to discuss activities and use of funds from the grant.

5. Use of Stakeholder Input

Describe how the CTC has taken or will take stakeholder and public input into account in the development of the CTC Plan for the Use of ARP ESSER Funds. **(3,000 characters max)**

The CTC will hold a regional meeting of stakeholders to conduct a needs assessment for Eastern Center for Arts and Technology. Stakeholders will include a variety of groups relevant to the school as described in question 4. Discussion will be held on the CTC plan for the use of ARP ESSER Funds. Information provided at this session will result in the content of the grant.

6. Public Access to LEA Plan for the Use of ARP ESSER Funds

Describe the process for development, approval, and making public the CTC Plan for the Use of ARP ESSER Funds. The CTC Plan for the Use of ARP ESSER Funds must be made publicly available on the CTC website and submitted to PDE within 90 days of LEA receipt of ARP ESSER funding, must be written in a language that

parents/caregivers can understand, and must be provided in alternate format upon request by a parent/caregiver who is an individual with a disability. **(3,000 characters max)**

The CTC will develop the plan with stakeholder input. The CTC Plan for the USE of ARP ESSER Funds will be made publicly available on the school website located at www.eastech.org. Submittal to PDE will occur within 90 days of receipt of ARP ESSER funding. The plan will be reviewed by staff for understandability and in a format that is easily readable and accessible to the public. All requests for alternate format will be granted.

Section: Narratives - Plan for ARP ESSER Funds

Section III: Using ARP ESSER Funds to Plan for Safe, In-Person Instruction

In this third section, CTCs are asked to reflect on both the impacts and needs described in Section I and stakeholder engagement described in Section II to provide a description of the CTC plan for the use of ARP ESSER funds.

7. Plan for Funds

How will the CTC spend its ARP ESSER funds as outlined in the fields below ? **(3,000 characters max)**

1. Continuity of Services: How will the CTC use ARP ESSER funds to sustain services to address students’ academic needs; students’ and staff social, emotional, and mental health needs; and student nutrition and food services?
2. Access to Instruction: How will the CTC use ARP ESSER funds to support the goals of increasing opportunity to learn and equity in instructional delivery? Consider regular attendance/chronic absenteeism data from the 2020-21 school year, including data disaggregated by student groups, in developing the response.
3. Mitigation Strategies: How will the CTC use ARP ESSER funds to support prevention and mitigation policies in line with the most up-to-date guidance from the Centers for Disease Control and Prevention (CDC) for the reopening and operation of school facilities and transportation services to effectively maintain the health and safety of students, educators, and other staff? Consider the LEA’s Health and Safety Plan in developing the response.
4. Facilities Improvements: How will the CTC use ARP ESSER funds to repair and improve school facilities to reduce risk of virus transmission, address environmental health hazards, and/or improve ventilation? Consider the LEA’s Health and Safety Plan in developing the response.
5. Other, i.e summer school, extended day, and staffing

Plan for Funds	Explanation
Facilities Improvements	The requested project includes expanding the Automotive Program to increase the size of the theory room and lab, renovation to the main office to meet ADA standards, upgrade restrooms for ADA compliance, move nursing suite to a larger, more central location to include and isolation room and increase capacity to social distance, upgrade HVAC systems in Auto Technology, Nursing suite, Welding and Protective Services classrooms and relocate welding lab to increase the size of the lab, theory room, welding booths to improve air quality and install a manifold system for increased student safety.

Section: Narratives - Monitoring and Measuring Progress

Section IV: Monitoring and Measuring Progress

In this fourth section, CTCs are asked to describe efforts to build local capacity to ensure high-quality data collection and reporting to safeguard funds for their intended purposes.

8. Capacity for Data Collection and Reporting

CTCs must continuously monitor progress and adjust strategies as needed. Describe the CTC’s capacity and strategy to collect and analyze data (disaggregated by student group, where applicable), for each of the following measures:

	Data Collection and Analysis Plan (including plan to disaggregate data)
Student learning, including academic impact of lost instructional time during the COVID-19 pandemic	Students will take the Pre-Nocti standardized assessment. This will provide data on student competence on areas of each career and technology program. Areas of need will be addressed in lesson planning during the school year. The NOCTI Post test will occur during the late spring of the school year.
Opportunity to learn measures (see help text)	Professional development will consist of opportunity to learn measures in the effective use of technology. Shared practice by staff will be used to discuss how to increase engagement of students.
Jobs created and retained (by number of FTEs and position type) (see help text)	No new positions will be created with this funding.
Participation in programs funded by ARP ESSER resources (e.g., summer and afterschool programs)	Summer programs in Cosmetology will be offered so that students will be able to earn hours in order to complete certification requirements for the course.
Impact of Student Social and Emotional Needs	Student well being is being monitored by three Student Success Coordinators (special needs certified personnel) that work with students daily in the academic and personal needs areas. In conjunction with participating district staff an analysis of social and emotional needs will be conducted.

Section: Narratives - ARP ESSER Prior Approval

ARP ESSER PRIOR APPROVAL

CTC's that wish to expend ESSER funds on facilities initiatives may be permitted to:

- make facility upgrades to comply with American Disabilities Act requirements
- upgrade HVAC systems
- remediate mold, lead, and other sources of poor indoor air quality
- install mechanical ventilation and/or advanced filtration systems
- replace windows to allow for improved intake of fresh air
- replace plumbing to ensure safe drinking water—among other upgrades that improve the health and safety of school buildings.

All **capital expenditures** supported with federal funds must be pre-approved by PDE. Capital expenditures means expenditures to acquire capital assets (i.e., land, facilities, or equipment over \$5,000 per unit) or expenditures to make additions, improvements, modifications, replacements, rearrangements, reinstallations, renovations, or alterations to capital assets that materially increase their value or useful life.

Construction means (A) the preparation of drawings and specifications for school facilities; (B) erecting, building, acquiring, altering, remodeling, repairing, or extending school facilities; (C) inspecting and supervising the construction of school facilities; and (D) debt service for such activities (ESEA section 7013(3), 20 U.S.C. § 7713(3)).

Directions: School Entities seeking prior approval for Construction/Renovation or Other Capital Expenditures must:

Complete the form for each contractor/project that will be supported with ARP ESSER funds. If using multiple vendors for one project, i.e., classroom expansion, enter total cost per vendor to equal the total budgeted cost of the "classroom expansion" project. Completed forms must be uploaded to this section. Prior to uploading forms, they must be signed off by your School Entity's Superintendent/CEO/Executive Director.

Will you be using a portion of your ARP ESSER funds for Construction and/or Other Capital Expenditures? If no please select 'No' and mark section complete.

Yes

In the table below, please provide the name and type (construction vs. other capital expenditure) of the proposed project and a brief description. Please enter each contractor/project on a separate line in the table.

Name of Proposed Project	Type of Project	Brief Description of Proposed Project
2021 Renovations	Capital Expenditure	Comprehensive bid project to increase ADA compliance of main office and restrooms, expand Automotive to increase the size of the theory room and lab, and permanently move the nursing suite to increase space and

Name of Proposed Project	Type of Project	Brief Description of Proposed Project
		include an isolation room.

CHECK HERE - to assure that you have successfully uploaded your Prior Approval Form(s) if applicable.

Section: Narratives - Health and Safety Plan Upload and URL

CTCs HEALTH AND SAFETY PLAN AND URL

Please upload your CTC's Health and Safety Plan below, and check the assurance indicating that you have completed your upload. Please name the file using your CTC name followed by Health and Safety Plan. example: "*CTC Name-Health and Safety Plan*"

CTCs are required to add the URL where the approved plan will be posted to the CTC's public website. Please add the URL below.
