

Dear Parent or Guardian,

We would like to invite your son or daughter to become an active member of our national student organization, SkillsUSA. SkillsUSA promotes good citizenship, student leadership, professionalism, teamwork, and recognizes student achievement and excellence. There is an annual \$25 fee to activate your student membership, which opens the door to many social activities, competitions and even possible scholarship opportunities. Students will be given the option to pay \$25 or participate in a fundraiser for the SkillsUSA activation fee.

To participate in this wonderful opportunity, please complete the top portion below and **have your student bring the completed form at the beginning of the school year**. The preferred payment method is online at <http://eastech.org/shop>. Cash or check payment can be made by your student at the beginning of the school year.

If you wish to decline this opportunity, please fill out only the bottom portion of the form and **have your student bring the completed form at the beginning of the school year**. Please be aware if you decline, your son or daughter will not be able to participate in scheduled SkillsUSA events.

I wish to participate: (Please Print)
