EASTERN programs are tuition-free and two years in length, except for Allied Health, which is a senior-only program. There are minimal supply costs that vary per program. Transportation is provided by the participating school districts.

Programs are held at EASTERN, 3075 Terwood Road, Willow Grove, from 7:45 to 10:30 a.m. OR 12:00 to 2:45 p.m. Monday through Friday.

If you are entering your junior or senior year and are interested in an EASTERN program, please see your guidance counselor to discuss the possibilities.

For more information about EASTERN’s 16 programs, contact Amy Shields at 215-784-4806 or via email, ashields@eastech.org.
CAREER PATHWAYS
Students prepare for a career in the robotics and automated technology field requiring postsecondary education. With further education and experience, students can find opportunities in occupations such as Mechatronics Technician, Electronics Technician, Mechanical Engineer, Electrical Controls Engineer, and Manufacturing Engineer.

POSTSECONDARY
Students can continue their education at postsecondary schools such as Montgomery County Community College, Delaware Country Community College, Penn State University, Lehigh University, University of Pennsylvania, Temple University, and Widener University.

CERTIFICATIONS
Students have the opportunity to potentially earn:

OSHA 10-HOUR GENERAL INDUSTRY (MANUFACTURING) CERTIFICATION
- The OSHA Outreach Training Program for General Industry (Manufacturing) provides training for entry-level workers and employers on the recognition, avoidance, abatement, and prevention of safety and health hazards in workplaces in the manufacturing industry. The program also provides information regarding workers’ rights, employer responsibilities, and how to file a complaint. Through this training, OSHA helps to ensure that workers are more knowledgeable about workplace hazards and their rights. Students who successfully complete the CareerSafe OSHA 10-Hour General Industry (Manufacturing) course receive an OSHA 10-Hour General Industry wallet card from the OSHA Training Institute (OTI).

UNIVERSAL ROBOTICS 32 HOUR ANSI/IACET COBOT ROBOTIC CERTIFICATION
- This is a program developed by Universal Robotics to teach how to program and implement collaborative robots and is accredited by the International Association for Continuing Education and Training (IACET). The program provides a clearly defined pathway for students to master cobot programming and deployment as part of a career in robotics and advanced manufacturing. Upon completion of the course work, a student receives 32 course credit hours and an industry-recognized certification from Universal Robots.

College credit opportunities may be available through SOAR.

It is the policy of the Eastern Center for Arts and Technology not to discriminate on the basis of race, sex, color, religion, age, disability, sexual orientation or national origin in its career and technical programs, activities or employment as required by Title VI, IX, Section 504, and the Americans With Disabilities Act. EASTERN provides equal access to the Boy Scouts and other designated youth groups. EASTERN will take steps to assure that lack of English language skills will not be a barrier to admission and participation in its career and technical programs. Further assurance is given that services, activities and facilities are accessible to and usable by persons with handicaps. The following person has been designated to handle inquiries regarding the nondiscrimination policies: Equity Coordinator, 3075 Terwood Road, Willow Grove, PA 19090. 215-784-4800.
